INDEPENDENT AUDITOR'S REPORT

Executive Committee and Board of Directors
Teen Recovery Solutions, Inc.

We have audited the accompanying financial statements of Teen Recovery Solutions, Inc. (a nonprofit organization), which comprise the statement of financial position as of December 31, 2015, and the related statements of activities and changes in net assets, functional expenses, and cash flows for the year then ended, and the related notes to the financial statements.

Management's Responsibility for the Financial Statements

Management is responsible for the preparation and fair presentation of these financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal control relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

Auditor's Responsibility

Our responsibility is to express an opinion on these financial statements based on our audit. We conducted our audit in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audit to obtain reasonable assurance about whether the financial statements are free of material misstatement.

An audit involves performing procedures to obtain audit evidence about the amounts and disclosures in the financial statements. The procedures selected depend on the auditor's judgment, including the assessment of the risks of material misstatement of the financial statements, whether due to fraud or error. In making those risk assessments, the auditor considers internal control relevant to the entity's preparation and fair presentation of the financial statements in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the entity's internal control. Accordingly, we express no such opinion. An audit also includes evaluating the appropriateness of accounting policies used and the reasonableness of significant accounting estimates made by management, as well as evaluating the overall presentation of the financial statements.

We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our audit opinion.

Opinion

In our opinion, the financial statements referred to above, present fairly, in all material respects, the financial position of Teen Recovery Solutions, Inc. as of December 31, 2015, and the changes in its net assets and its cash flows for the year then ended in accordance with accounting principles generally accepted in the United States of America.

TEEN RECOVERY SOLUTIONS, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2015

Note 1. Organization and Summary of Significant Accounting Policies

Organization

Teen Recovery Solutions, Inc. was formed in 2000 to support treatment and recovery for teens experiencing chemical dependency on alcohol and other drugs.

Effective September 21, 2012, the Organization changed its name from Oklahoma Outreach Foundation to Teen Recovery Solutions, Inc.

In 2006, the Organization opened the Oklahoma Outreach Sober School as a continuum of care for teens who have attended treatment for addictions and who have a true desire to actively commit to a sober lifestyle. In 2011, the school was renamed Mission Academy. Full enrollment for Mission Academy is thirteen. Mission Academy was accredited in 2012 by the Oklahoma State Department of Education. The Organization also has an after school program (APG) that started in 2012. APG offers a comprehensive recovery support community to teens and families. This includes individual and group counseling, recovery groups, prosocial weekend activities and recovery retreats. Current capacity of APG equals twenty-five teens plus parents.

Basis of presentation

The Organization reports information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets. The Organization had no permanently restricted net assets as of December 31, 2015.

Revenue recognition

Revenues, gains, and other support are reported as increases in unrestricted net assets. Amounts received that are restricted by the donor for specific purposes or periods of time are reported as temporarily restricted support that increases the temporarily restricted net asset class. When a temporary restriction expires, temporarily restricted net assets are reclassified to unrestricted net assets and reported in the statement of activities and changes in net assets as net assets released from restrictions. Expenses are reported as decreases in unrestricted net assets only. Gains and losses on investments and other assets and liabilities are reported as increases or decreases in unrestricted net assets unless their use is restricted by explicit donor stipulation or by law. Contributions received with donor-imposed restrictions that are met in the same year as received are reported as revenues of unrestricted net assets.

Property and equipment

Fixed assets are recorded at cost, or fair value if donated, and depreciated using the straight-line method over an estimated useful life of five to thirty-nine years.

Maintenance and repairs which do not improve or extend the useful lives of the assets are expensed as incurred. It is the Organization's policy to capitalize additions and betterments costing more than \$1,000. Upon retirement or replacement, the costs and accumulated depreciation are removed from the respective accounts and the differences are included in changes in net assets.

TEEN RECOVERY SOLUTIONS, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2015

Note 1. Organization and Summary of Significant Accounting Policies, continued

Cash and cash equivalents

For purposes of the statement of cash flows, the Organization considers all highly liquid investments purchased with a maturity of three months or less to be cash equivalents.

Allowance for uncollectible accounts

Management charges income with doubtful accounts when they are considered uncollectible. As the amount is not material, no provision for doubtful accounts has been made in these statements.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities and disclosure of contingent assets and liabilities at the date of the financial statements and the reported amounts of revenues and expenses during the reporting periods. Actual results could differ from those estimates.

Functional expenses

The costs of providing the various programs and other activities have been summarized on a functional basis in the financial statements. Accordingly, certain costs have been allocated among the programs and activities benefited. The program expense consists of the After School Program and Mission Academy.

Income tax status

The Organization is exempt from income tax under Section 501(c)(3) of the Internal Revenue Code. Therefore, no income tax provision has been included in the financial statements.

In-kind donations

In-kind donations of goods and services are recorded in the financial statements at the estimated value of such goods and services.

Note 2. Temporarily Restricted Net Assets

Temporarily restricted net assets at December 31, 2015 were as follows:

Tuition Scholarships/Sarkeys Foundation	\$ 40,000
Mission Academy/Inasmuch Foundation	30,000
Restricted for 2016	<u>90,000</u>
	<u>\$160,000</u>

TEEN RECOVERY SOLUTIONS, INC.

NOTES TO FINANCIAL STATEMENTS

December 31, 2015

Note 3. Rental Expense

The use of the building for the programs is contributed. The estimated rental value is \$28,000 and is included in the financial statements as in-kind revenue and rent expense. The Organization paid \$4,800 in rental expense for its office for a total of \$32,800 in rental expense.

On October 30, 2015, the building used for the programs was donated to the Organization at which time in-kind rent was no longer recorded. The building's value was estimated at \$320,000 and was recorded as an in-kind contribution.

Note 4. Concentration of Credit Risk

The Organization's cash balances in its financial institution at times may exceed federally insured limits. At December 31, 2015, the Organization had approximately \$235,400 in a financial institution that exceeded federally insured limits.

Note 5. Funds Held By Community Foundation

Teen Recovery Solutions, Inc. invested \$10,000 during the year with the Communities Foundation of Oklahoma (CFO). The Foundation maintains variance power over the funds. The distribution policy is to distribute a set percentage of the funds average fair market value over the previous set number of quarters. The percentage has historically been 5% of the average fair market value over the previous eight quarters or life of the fund. The remaining investment return is left with the fund to add to the value, which protects the future revenue stream from inflation. Assets transferred by Teen Recovery Solutions, Inc., reciprocal transfers, are recognized in the statement of financial position.

Market value at January 1, 2015	\$ -
Reciprocal transfer	10,000
Net investment income	-
Distribution	<u>-</u>
Market value at December 31, 2015	<u>\$10,000</u>

Note 6. Subsequent Events

Management has evaluated subsequent events, if any, through the report date of June 28, 2016, which is the date the report was available to be issued and has determined there are none requiring disclosure.
