INDEPENDENT AUDITOR'S REPORT

Executive Committee and Board of Directors
Oklahoma Museums Association

We have audited the accompanying statements of financial position of Oklahoma Museums Association (a nonprofit organization) as of June 30, 2011 and 2010, and the related statements of activities and changes in net assets and functional expenses for the year ended June 30, 2011, and the statements of cash flows for the years ended June 30, 2011 and 2010. These financial statements are the responsibility of the Organization's management. Our responsibility is to express an opinion on these financial statements based on our audits. The prior year summarized comparative information has been derived from Oklahoma Museums Association's 2010 financial statements and, in our report dated August 10, 2010, we expressed an unqualified opinion on those financial statements.

We conducted our audits in accordance with auditing standards generally accepted in the United States of America. Those standards require that we plan and perform the audits to obtain reasonable assurance about whether the financial statements are free of material misstatement. An audit includes examining, on a test basis, evidence supporting the amounts and disclosures in the financial statement. An audit also includes assessing the accounting principles used and significant estimates made by management, as well as evaluating the overall financial statement presentation. We believe that our audits provide a reasonable basis for our opinion.

In our opinion, the financial statements referred to above present fairly, in all material respects, the financial position of Oklahoma Museums Association as of June 30, 2011 and 2010, and the changes in its net assets for the year ended June 30, 2011 and its cash flows for the years ended June 30, 2011 and 2010, in conformity with accounting principles generally accepted in the United States of America.

OKLAHOMA MUSEUMS ASSOCIATION

NOTES TO FINANCIAL STATEMENTS

June 30, 2011

Note 1. Organization and Summary of Significant Accounting Policies

Organization

Through seminars, an annual conference, publications, and other programs, the Oklahoma Museums Association provides training and technical information to museums throughout Oklahoma.

The Executive Committee and Board of Directors are volunteers while the Executive Director is a paid position.

Revenue comes primarily from the Oklahoma Arts Council for community development and service. This represented 27% of total revenue in 2011. Securing of this revenue is based upon grant agreements and contracts that spell out the purpose and duration for which the funds may be spent.

Basis of presentation

These statements are prepared on the accrual basis of accounting.

The Association is required to report information regarding its financial position and activities according to three classes of net assets: unrestricted net assets, temporarily restricted net assets, and permanently restricted net assets.

The temporarily restricted assets are those given for a specific purpose or time period and for which expenditures have not yet been incurred. The permanently restricted assets cannot be used by the Association for any purpose. A distribution based on the revenue from these assets is available for unrestricted use.

Financial statement presentation

The statements of activities and changes in net assets and functional expenses includes certain prior-year summarized comparative information which does not include sufficient detail to constitute a presentation in conformity with generally accepted accounting principles. Accordingly, such information should be read in conjunction with the Association's financial statements for the year ended June 30, 2010 from which the summarized information was derived.

Use of estimates

The preparation of financial statements in conformity with generally accepted accounting principles requires management to make estimates and assumptions that affect certain reported amounts and disclosures. Accordingly, actual results could differ from those estimates.

Property and equipment

The office equipment is carried at cost and depreciated on the straight-line method using lives ranging from five to seven years. The Association capitalizes asset purchases of \$500 or more. Maintenance and repairs are charged to expense as incurred. When equipment is retired or otherwise disposed of, the cost is removed from the asset account and the related accumulated depreciation is adjusted with the difference being charged to operations. Donated assets are recorded at their fair value and depreciated as other assets.

OKLAHOMA MUSEUMS ASSOCIATION

NOTES TO FINANCIAL STATEMENTS

June 30, 2011

Note 1. Organization and Summary of Significant Accounting Policies, continued

Income tax

No income tax provision has been included in the financial statements since this is a not-for-profit organization exempt from income tax under Section 501(c)(3) of the Internal Revenue Code. The Association does not believe it has engaged in any activity that would result in an uncertain tax position. As a result, management does not believe that any uncertain tax positions currently exist and no loss contingency has been recognized in the accompanying financial statements. Tax statutes dictate that tax returns filed in any of the previous three reporting periods remain open to Federal or state examination. Currently, the Association has no open examination with either the Internal Revenue Service or state taxing authorities.

Statement of cash flows

For purposes of the statement of cash flows, the Association considers all highly liquid investments with a maturity of three months or less at the time of purchase to be cash equivalents.

Allowance for uncollectible accounts

Management charges income with doubtful accounts when they are considered uncollectible. As the amount is not material no provision for doubtful accounts has been made in these statements.

Note 2. Office Rent

The Association rents office space from the Science Museum Oklahoma on a month-to-month lease with rent of \$25 per month and the allocable share of utilities. For the year ended June 30, 2011 the share of utilities and rent was \$589.

Note 3. Endowment Funds

The Association has endowment funds on deposit with the Oklahoma City Community Foundation totaling \$91,886 at June 30, 2011. Of those deposits, \$47,318 has been contributed by the Association. Accounting standards require that this portion of the fund be shown as permanently restricted assets of the Association. The financial statements at June 30, 2011 reflect that amount as permanently restricted net assets.

The Association is entitled to a distribution based on the income from the full balance of their account at the Community Foundation, but cannot recover any part of the principle. A distribution was made in the year ended June 30, 2011 of \$4,013.

OKLAHOMA MUSEUMS ASSOCIATION

NOTES TO FINANCIAL STATEMENTS

June 30, 2011

Note 4. Employee Benefits

In 1999 the Association adopted a SIMPLE retirement plan for its employees. The employees can elect to reduce their compensation in order to defer retirement funds. Additionally, the Association matches the salary deferral with a payment equal to 3% of gross salary. The contribution was \$2,583 for the year ended June 30, 2011.

Additionally, the Association adopted a IRS Section 125 cafeteria plan which allows employees to reduce their income in order to make a tax free contribution toward their portion of health insurance and other medical costs.

Note 5. In-Kind Donations

The Association uses volunteers to complete much of their program work. During the year ended June 30, 2011 these volunteers gave 2,740 hours of their time to the Association. In addition, in-kind contributions of \$35,011 were received and recorded as both revenue and expense.

Note 6. Subsequent Events

Management has evaluated subsequent events, if any, through the report date of August 10, 2011, which is the date the report was available to issue and has determined there are none requiring disclosure.
