Mission Statement: As people age, their need for dignity, independence and quality of life does not change.

Although characterized by a strong work ethic, unfortunate circumstances force many older adults into a life of bare existence.

As a result, assistance is needed in areas in which they can no longer provide for themselves.

Since 1973, Areawide Aging Agency has been the principal developer, coordinator and provider of services which meet the needs and advance the dignity, independence, and quality of life of senior adults in central Oklahoma.
